

A red Poulsen trailer is parked on a gravel lot in front of a large, grey, corrugated metal building. The building features a large red circular logo with a white 'P' and the text 'POULSEN BILER.COM' in white capital letters. The trailer is a multi-axle unit with a red frame and black tires. It has a long, flatbed-like structure with various mechanical components and a hitch at the front. The scene is brightly lit, suggesting a sunny day.
